Screening, Testing and Support

- On March 30, **27 people** visited one of Concord Hospital Medical Group’s two dedicated COVID-19 screening/testing sites. Since March 16, **469 patients** have been screened at the two sites.

- As of March 31, 2020, the Concord Hospital health system has ordered COVID-19 tests for approximately **578 patients**. To date, the Hospital has received results for **509 patients**, which includes **16 COVID-19 positive results**.

- Of the **16 positive results**, **two patients** are currently hospitalized at Concord Hospital and **14 are recovering at home**.

- COVID-19 screening is now available in Parking Lot E on the Concord Hospital campus for **any community member** who is experiencing a fever or non-critical respiratory symptoms, such as a cough or shortness of breath. People should drive directly to the large tent in the Visitor Entrance parking lot. They will be triaged and advised if: they should go home and self-isolate; proceed to the Emergency Department; or be evaluated in person or without testing for COVID-19 at one of our dedicated Concord Hospital Medical Group practice locations.

  **The screening tent is open daily from 8 a.m. – 5 p.m.**

  Since opening on Friday, March 27, **44 patients** have been triaged at the tent.

- Concord Hospital has established a COVID-19 screening and education hotline for the public.

  **The COVID-19 Hotline Number is (603) 789-9123 and will be staffed daily from 8 a.m. – 5 p.m.**

  As of Tuesday, March 31, **29 calls** have been received.

Service Changes
