A call out to crafters in our region!

Concord Hospital still needs cloth masks, preferably those that have elastic ear loops versus ties.

For instruction to make hand sewn masks, visit: https://www.deaconess.com/How-to-make-a-Face-Mask

Screening, Testing and Support

- On May 4, 2020, **29 people** visited Concord Hospital Medical Group’s (CHMG) dedicated COVID-19 screening/testing site. To date, **1,137 patients** have been screened at a CHMG screening/testing site.

- As of May 5, 2020, the Concord Hospital health system has ordered **COVID-19 tests for approximately 1,972 patients**. To date, the Hospital has received results for **1,822 patients**, which includes **81 COVID-19 positive results**. Of the 81 positive results, **five patients are currently hospitalized at Concord Hospital**.

- Concord Hospital’s **COVID-19 Screening and Education Hotline (603) 789-9123** is staffed daily from **8 a.m. – 5 p.m.**. As of May 4, 2020, Hotline staff have fielded **506 calls**.

- COVID-19 screening is available in Parking Lot E on the Concord Hospital campus for **any community member** who is experiencing a fever or non-critical respiratory symptoms, such as a cough or shortness of breath. **The screening tent is open daily from 8 a.m. – 5 p.m.**. To date, **275 patients** have been triaged at this site.

Service Changes

- **Concord Hospital Medical Group (CHMG) practices are all open** and seeing patients or are conducting teledmedicine/remote visits. On May 4, 2020, CHMG provided **505 virtual visits**. To date, a total of **16,694 virtual visits have been provided**.

- Area residents who do not have a primary care physician may call Concord Hospital Physician Referral Line at (603) 224-7879 or (800) 322-2711 to get connected to ongoing care.

- Anyone entering Concord Hospital or the Memorial or Pillsbury Medical Office Buildings on campus must wear a mask or other face covering for the protection of everyone.

- Concord Hospital is following the New Hampshire State Governor’s orders to perform time sensitive surgeries where possible to create the best possible outcomes for patients.
