

The Concord Hospital health system (Concord, Franklin and Laconia) opened its Incident Command Centers on Dec. 6 to manage the extraordinary patient volume, including COVID-19 patients, the organizations have been experiencing in recent weeks.

***As of Dec. 16, the Concord Hospital health system suspended its Incident Command Centers due to the reduction of COVID-19 cases.***

Concord Hospital continues to encourage the public to **get vaccinated** and boosted to help stop the spread of COVID-19.

Please continue to **MASK UP** whenever possible. Wearing a mask helps stop the spread of aerosolized particles that spread COVID-19.

Please be mindful of gathering in large groups during the holiday season, and **maintain social distancing** whenever possible.

**If you are experiencing any symptoms of COVID-19**, please make sure to get tested. To find your nearest COVID-19 testing site,

Some Good News

## Local Baskit

A big thank you to Beth Richards, owner of Local Baskit in Concord, for coordinating 100 family meals for Concord Hospital staff in recognition of National Pharmacist Day. The meals were donated to staff in the Concord Pharmacy, Lab and Testing Shed.

Meals were made possible from generous donations from Beth, Local Baskit subscribers, Dole & Bailey purveyors, Sal's Fresh Seafood, Red Beard's Kitchen, and Corey Fletcher of Revival Kitchen and Bar.
