We care.

Concord Hospital continues to encourage the public to **get vaccinated** and boosted to help stop the spread of COVID-19.

Please continue to **MASK UP** whenever possible. Wearing a mask helps stop the spread of aerosolized particles that spread COVID-19.

Please be mindful of gathering in large groups, and **maintain social distancing** whenever possible.

If you are experiencing any symptoms of COVID-19, please make sure to get tested. To find your nearest COVID-19 testing site,
