

MEDIA UPDATE
1.18.22

The Concord Hospital health system (Concord, Franklin and Laconia) opened its Incident Command Centers on Dec. 6 to manage the extraordinary patient volume, including COVID-19 patients, the organizations have been experiencing in recent weeks.

As of Dec. 16, the Concord Hospital health system suspended its Incident Command Centers due to the reduction of COVID-19 cases.

Totals In Concord Hospital Health System:

HOSPITALIZED COVID-19 PATIENTS

UNVACCINATED COVID-19 PATIENTS HOSPITALIZED

COVID-19 PATIENTS NEEDING ICU-LEVEL CARE

COVID-19 PATIENTS ON VENTILATORS

BEGINNING ON

Wednesday, January 19

We care.

Concord Hospital continues to encourage the public to **get vaccinated** and boosted to help stop the spread of COVID-19.

Please continue to **MASK UP** whenever possible. Wearing a mask helps stop the spread of aerosolized particles that spread COVID-19.

Please be mindful of gathering in large groups, and **maintain social distancing** whenever possible.

If you are experiencing any symptoms of COVID-19, please make sure to get tested. To find your nearest COVID-19 testing site,
